Pioneer Takes Life With Pistol Shot

Three Bills Are Voted by Grand Jury on Monday

Judge E. C. Nelson was not able to be in Canyon Monday for the opening of District Court. A. A. Lumpkin of Amarillo was elected special judge for this week.

The Grand Jury started its investigation Monday under the direction of District Attorney Bob Underwood and Assistant Jim Lumpkin. The jury is composed of the following men: S. H. Condron, foreman, E. H. Albers, L. D. Winn, Ray McReynolds, T. E. Allen, Jim Bible, W. T. Oliver, J. P. Hix, M. S. Bisher, Jno. J. Boling, G. J. Bonds, Ross Craig.

The Grand Jury returned three indictments Monday. The following were the cases:

O. L. Miller and Albert Husman, theft.

Carl Ash, theft.
Sidney Wallace Pittman, forgery.

Pittman pleaded guilty before Judge Lumpkin and was given two years in the penitentiary.

Thirty-seven old cases which have been on the docket for several years without orders were dismissed. These were largely old criminal cases and tax suits.

12 Men to Leave Tuesday to Start Military Work

Twelve men who went to Lubbock last Tuesday for their physical examination were accepted and will leave October 6 for Fort Sill, Okla., where they will start their training in the army. Eight men were rejected because of physical defects.

Those accepted were:
William Cass Harter, Rayford Turner Louder, John Luther Bewley, Earl Lee Sanders, Caffred Cloys Knox, Thomas Loys Knox.

Marvin Leroy Shero, John Louis Wieck, Ernest Erwin Phillips, Milton Wayne Turley, Paul Franklin Black, Mauro Iginio Hernandez.

Young men who volunteered this week were:

Charles William Conner, air corps.

Joe Barney Anthony, air corps.

Fred W. Bragg, air corps.

L. F. Becktold left Tuesday for Houston to join the naval construction corps.

James Douglas Hazlewood has been inducted in the navy as an Ensign. He was accepted several months ago, but has just started his duties.

Opening Time of Stores Varies as Survey Is Made

The new time schedule has caused more confusion among the business men of Canyon.

"What hours will you observe," is the regular question.

Dry goods houses have decided to open at 8:30 in the morning, close at 6 o'clock in the evening.

Grocers open and close at various hours. "Daylight saving time just added some more hours to my work," stated one grocer.

As the days grow shorter more business hours will decide upon the 8:30 or 9 o'clock opening hour it is stated.

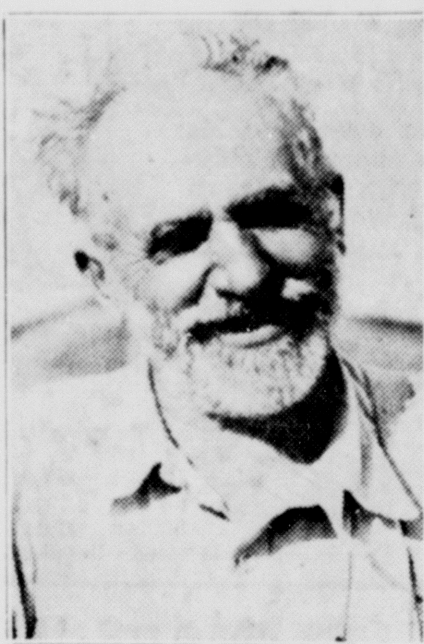

As the situation now stands, there is no likelihood of establishing uniform hours during the early part of October.

Three Grandsons Born in One Week

Mrs. Hattie Brasuel is the grandmother of three grandsons born in one week. Twin boys were born to Mr. and Mrs. James V. Watts Sept. 9 at an Amarillo hospital. On Sept. 15 a son, Tom Joseph, Jr., was born to Mr. and Mrs. Tom Joseph Carnes of Spaford in Del Rio, Texas.

Mrs. Watts is the former Miss Beulah Brasuel and Mrs. Carnes is the former Miss Fannie Sue Brasuel.

G. C. Bram Is Found Dead Sunday Morning By Judge Hunt; Was Pioneer Farmer

G. C. BRAM

Gottlieb Christian Bram, 75 year old pioneer of Randall county, was found dead at his home south of Canyon Sunday morning with a bullet hole through his head. He lay on his bed, where it was evident he had taken his own life Friday night. The 38-pistol was held in his left hand.

Mr. Bram was born in Germany Feb. 7, 1867. His family came to America when he was 17 years of age. The family lived in Pennsylvania before coming to the Panhandle in 1889 where Mr. Bram had lived for 53 years.

The parents are buried in Dreamland Cemetery. One brother died about 9 years ago. A sister, Mrs. F. A. Roper, lives at Port Lavaca. She gave instructions Sunday by telephone that her brother be buried by the side of his parents.

The funeral was held Monday afternoon at 4 o'clock at the Griggs- (Continued on page five)

Local Officers To Enforce Law

Federal Order to Replace State Laws During the War; Gas Ration Nov. 22

Automobile speed in the United States is officially 35 miles per hour starting today.

While there is no law on the subject, the edict of Transportation Director Eastman demands that all Americans observe the 35 mile per hour regulation in order to save tires and gasoline.

Eastman has requested that State and local officers enforce the law.

Governor Coke Stevenson stated Tuesday that he would refer the matter to the State Highway Department. The law of Texas allows a maximum speed of 60 miles per hour. The emergency of the war will probably cause the State Highway Patrolmen to assist in the enforcement of the 35 mile per hour regulation.

According to word from Washington, gasoline rationing will start Nov. 22. By that time ration cards will be in the hands of the local Price and Rationing Board.

Dried Fruits to Have Important Part in the War

Texas is making a real contribution to winning the war. One of the ways she is doing this is in supplying dehydrated, or dried foods. At the annual conference of County Agricultural Agents and Home Demonstration Agents at College Station Sept. 15 to 18, a review of progress being made in the dehydration of vegetables, milk, fruits and eggs was given.

One full session of the conference was devoted to demonstration and discussions of food drying.

Texas is in the forefront in egg drying, with 13 plants handling more than 5,000,000 eggs daily in 19 drying units. William F. Hessler, manager of a dehydrating plant at Lamesa, Dawson county, said his plant, which has facilities for drying 50 tons of vegetables daily, soon will begin drying 200,000 pounds of onions for use by the Army.

Red Cross Members Given Instructions

J. W. Shook, C. H. Jarrett and Guy Harp attended a meeting of county Red Cross representatives from Panhandle counties Tuesday in Amarillo. Instructions were given regarding the work of Red Cross during the war.

Mrs. T. H. Knighton attended a group meeting in discussion of the Junior Red Cross.

Sgt. Billy Black of Las Vegas, N. M., was home on a short furlough last week. He is in the Air Corps and drills the men in the military training.

Buffaloes Open Here Saturday

Tempe Bulldogs Next Opponents

Arizona State Looms As Dangerous Foe to Reorganizing Buffs

A bruised and battered but far from humbled Buffalo football team is awaiting the arrival of the Arizona State Bulldogs with grim impatience this week.

West Texas State's 39-0 defeat by Texas Tech after a 7-0 first half has given the Buffs a thirst to sharpen their offense and break into the win column.

They are expecting no easy game with the Tempe eleven, however. In three games played previously by the two Border Conference members, the Bulldogs won two. The scores were 19-0, 19-12, and 13-7. Last year the locals won at Tempe on a tour which also gave them a 7-6 victory over Fresno State in California.

The Tempe club was carried to championships in the cactus circuit by the gridiron immortal Dixie Howell, assisted by Hilman Walker,

Home Demonstration Clubs Make Exhibits

State President Will Pay Visit to Local Clubs in Canyon on Next Saturday

The Home Demonstration Clubs of Randall county will display Educational exhibits on food in the windows of business houses around the square Saturday, Oct. 3, according to Miss Frances Wilroy, County Home Demonstration agent.

Some most attractive exhibits have been planned. Prizes of \$3, \$2, and \$1 will be awarded 1st, 2nd and 3rd place. Miss Sadie Lee Oliver, Deafsmith county Home Demonstration agent, Miss Lilla Clark, instructor in Home Economics in W. T., and Miss Rhita Jean Sullivan, Canyon high school Home Economics teacher, will judge the exhibits. Judging will begin at 11 a. m.

A covered dish luncheon will be served in the American Legion Hall at noon, after which a program will be given. Each club in the county will give one number on the program. Delegates who attended the state convention of the Texas Home Demonstration Association, which met in Fort Worth, will give reports of the meeting. These delegates include Mrs. Simon G. Elliott, Ralph; Mrs. L. J. Fulton, Highland; and Mrs. G. A. Colling, Park.

The highlight of the day will be the attendance of Mrs. W. G. Ken- (Continued on page five)

Frank P. Hicks Has Resigned Place With City

Frank Hicks has resigned his position with the city after serving several years in various capacities. He has had charge of the street work during the extensive paving program, and was chief of the fire department.

The City Commission has not filled the place of night watchman, and has not employed a man to take the position vacated by the resignation of Mr. Hicks.

FREED IN TENNESSEE

Lieut. Conrad Freed is located at McKenzie, Tenn., where he is in the barrage balloon corps.

According to a letter from Mrs. Freed they secured a furnished house in the camp. "It is fascinating watching the barrage balloons in mid-air—they look like huge elephants' flying."

STEPSON DIES

Mrs. L. B. Rogers has received word that her stepson, John P. Rogers, of Los Angeles, Calif., passed away Sept. 15 after a long illness. He was a former resident of Canyon.

Mechanics Asked Flying School; Enlist Sunday

Sergeant Parvin and Sergeant Jones of Lubbock technical school will be at the court house Sunday 12 to 6, and Monday morning 9 to 12 seeking mechanics for technical work in the Flying School.

Men 18 to 49, inclusive, will be accepted. Physical defects will not bar the men from enlistment in this branch of the service. Men will be accepted, if qualified, who would be rejected in other branches for these defects.

According to phone call to The News last night, the Sergeants are very anxious to meet all mechanics and give them information.

Those men who are enlisted will be taken to Lubbock Tuesday by the Flying School bus.

Essay Contest on American Way of Life for Studes

"What the American Way of Life Means to Me" will be the theme of an essay contest for West Texas State College students, sponsored jointly by the Rotary Club and The Prairie, student newspaper.

Prizes totaling \$20 in war stamps will be awarded six winners, who will be guests of the Rotary Club November 20.

Fine Tomatoes Are Raised By Johnson

B. T. Johnson brought samples of his tomatoes to the News office yesterday. There are many bushels of green tomatoes on the vines yet, and Mr. Johnson is hoping that frost will not come soon. However, at this time of the year it is liable to frost at any time, states Mr. Johnson.

"This has been the best year for garden that I have seen for a long time," stated Mr. Johnson as he told about his Victory Garden.

NIX IS MOVING

W. F. Nix has sold his residence in Canyon and will move back to Amarillo this week. Mrs. Nix and children have lived here for two years and Mr. Nix commuted daily between his home and law office in Amarillo until last fall when he moved his office here.

He has bought a home in Amarillo and is again opening his law office.

Jack Taylor left last night for St. Louis. Mrs. Taylor and daughter are visiting at the home of her parents in Wheeler while Mr. Taylor is away.

Lt. C. E. (Bill) Cone of Barksdale Field spent from Saturday to Tuesday with his parents, Mr. and Mrs. Henry Cone.

Billy Hill of Camp Barkley is visiting Mr. and Mrs. Clay Cooper.

Schools Will Start National Drive Oct. 5

RANDALL CO. CITIZENS TO GIVE FULL SUPPORT

Meeting of All Local Agencies Held Friday Night; Need of Metals for War Work Is Urged Upon All Citizens

A country-wide drive on junk led by the school children of Randall county will start next Monday, Oct. 5. The drive is nationwide in scope, and every school child will be asked to help Uncle Sam with the serious business of winning the war.

So far as Canyon is concerned, every citizen is asked to make another careful search of his home. Gather up all of the metal and rubber on his place and pile it on the front curb next Monday.

The school children will gather the junk, take it to the school houses where it will be sorted and weighed, and then delivered to the Consumers Fuel Association salvage yard. In this manner the school children hope to raise a little money to assist them in their school activities.

Every common school district in the county is urged by Judge A. H. Hunt to assist in this drive. The Umberger school is organized and scrap metal is being brought to the school house by the pupils.

A meeting was held Friday night at the City Hall, called by C. L. Thompson, chairman of the city salvage committee. Representatives were present from nearly every organization in the city and county. The purpose was to unify the efforts of Randall county people into one great drive to get all of the scrap in the county moving toward the junk yards.

Mr. Thompson warned citizens not to be excited over the fact that junk must be handled through authorized junk dealers. There are 75 different grades of metal. These must be separated and shipped at different times. All of the metal must be processed and cut to a definite length so that it may be handled promptly at the metal furnaces. Every junk yard is under close government supervision, and that dealers are allowed to make only a reasonable profit considering the great amount of work which the dealers must do in processing the metal. Furthermore, the government knows exactly just how much metal there is in every junk yard in the nation, and these yards will be called upon to ship metal as it is needed.

Mr. Thompson pointed out that the need of junk metal is very, very urgent. Many metal furnaces (Continued on page five)

Food Stamps Bring \$2900 In Extra Cash

How the Food Stamp Program helps Randall county farmers as well as underprivileged families was pointed out in a report released by Dan L. Boyd, Amarillo, Area Supervisor, Agricultural Marketing Administration.

Over \$2900 in blue food stamps which have been issued to needy families in the county from the beginning of the program, April 1, 1942 through July 31, 1942, represent additional markets created by the program, the report showed. An average of 83 families representing some 287 persons have received increased food purchasing power in the form of blue food stamps each month since the program began.

"Farm products often come to market in season and out in such heavy supply, prices would be ruinous to the farmers if use of the commodities by consumers was not increased," Mr. Boyd explained. "The Food Stamp Program helps bring about this increased use."

Families using Food Stamps are first required to buy orange stamps with the money they would normally spend for food. They are then issued blue stamps which give them an increase of 50% in food purchasing power.

"Orange stamps will buy any kind of food while blue stamps will purchase only those foods for which farmers need an additional market."

Blue Stamp Food Lists are subject to change by the Department of Agriculture each month, it was pointed out. Therefore, the commodities for which farmers need added markets can be included on the list at all times.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

NATIONAL NEWSPAPER WEEK

Newspaper editors aren't particularly addicted to talking about themselves — especially editors of papers in small communities.

Aside from the annual reminder to subscribers regarding their subscription account, the country publisher tries to keep in the background as much as possible, and allow other citizens to take the lead in civic and community affairs.

National Newspaper Week was started two years ago. The results have been so great and so much good was achieved during the past two years that the newspapers decided to continue this work of information for 1942. The great metropolitan dailies are joining with the smaller weeklies of the nation in the observance of this week. Each class of newspaper—large or small—is performing a distinctive service to the community in which it operates. When it fails to render this service, the newspaper quietly folds up—as it should.

To many readers, our community newspaper may seem insignificant. It has no rostrum section, no far-flung wire service, no great comic section, no magazine section, no private airplane to carry its reporters to the scene of big stories—none of the expensive and attention-compelling facilities of the big city dailies.

Because of its smaller size and scope, however, the weekly newspaper is able to concentrate all of its energies to a single section—the home community. If its news sometimes seem trivial in a world torn by wars and catastrophes, that's the reason. Your weekly newspaper is a home institution, dedicated exclusively to the service of the people of its community. It prints homey news in which you are interested, and such news is printed in no other newspaper in the world.

Apart from calling attention to the individual publications of the nation, the idea of a week set aside for newspapers is a sound one. Those who like to criticize newspapers as a whole, and consider themselves more intellectual than newspaper workers, should compare the press of America with the press of Europe which is shackled and under the direct control of dictators. Instead of a free press, such as we enjoy in the United States, the people of Europe read only what the rulers want them to read and the publications are limited to a half dozen newspapers of general circulation, which are controlled to the minutest detail. Only in America do you find thousands of community newspapers which are dedicated to the job of making life more liveable in their individual localities.

A free press means that newspaper workers can write what they think without fear of being jailed by an ever watchful Gestapo, but it means much more than that—it guarantees to a free people the right to know the truth. Unless the truth is presented through the press, the people will have no means of ascertaining the truth.

So, ascenders as well as editors, can breathe a heartfelt prayer of thanks for those words in the Bill of Rights:

"Congress shall make no law . . . abridging the freedom of speech or of the press."

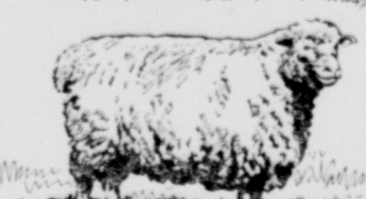

General Hershey is under fire because of so many loose statements which have been issued regarding Selective Service. Too many Washington officials fail to realize that every man 20 to 45 years of age knows that he is subject to military service when he is needed. Most of these men would make arrangements to go into service when they are needed, but Hershey seems to think that it is necessary to put out wild statements every few days regarding the status of these men. He always fails to issue orders so that local boards may talk intelligently with the men when they seek information. The General should realize that he is not talking with boys who have to be forewarned of what is taking place, and certainly he knows that every man of military age knows that when he is called upon to defend the nation that he will respond.

OUR DEMOCRACY—by Mat

"Waste not,—want not."
AN OLD PROVERB—AND A MODERN EXAMPLE.

STARTING WITH THE WIRY LONGHORN, THE RAZOR-BACK HOG, THE SCRAWNY SHEEP AND THE WASTEFUL METHODS OF A CENTURY AGO, U.S. FARMERS HAVE PRODUCED OUTSTANDING LIVESTOCK—AND U.S. PACKERS, WITH SCIENTIFIC INGENUITY, HAVE DEVELOPED WASTELESS PROCESSING.

5,000,000 FARMS AND 1000 PACKERS OPERATING 1500 PLANTS, PROVIDE AMERICA WITH ITS MEAT, LEATHER, WOOL—AND 138 BY-PRODUCTS—MANY ESSENTIAL WAR MATERIALS, WITH NO LEFT-OVERS.

LET'S ALL FOLLOW THIS "NO-WASTE" PRINCIPLE— IN HOME, OFFICE, FACTORY—FOR PRODUCTION + CONSERVATION = NATIONAL STRENGTH.

Wendell Willkie has highly praised the spirit of the Russians after his visit with Stalin. He says that the Russians will never be conquered, but adds his approval of opening a second front in order to relieve the pressure on Stalingrad. According to his reasoning, the fall of Stalingrad would be a terrible blow to the United Nations, and add much to German prestige among the remaining neutrals who are looking for a safe place to land in the war. While many military experts now believe that Hitler will fail to take Stalingrad this fall, yet they are still doubtful of a second front. If a second front is undertaken and is not successful, the United Nations could lose the war.

block for having put up a fight to force into the bill definite ceilings of labor as well as a fair and equitable price on farm products. While we are opposed to legislation by blocks, we certainly do not blame the farmers and their legislators for holding out for fair farm prices. The labor block is going "to get theirs" out of this bill, and the American people will be forced to pay the bill through excessive prices on war munitions. The stories of excessive wages which are being paid war workers make our blood boil when we compare such wages to others in the United States—and yet the President and his entire administration uphold such practices. While the President is right most of the time, he has certainly gone haywire in catering to the small per cent of union laborers at the expense of the rest of the nation.

While shipbuilding has greatly improved in this nation, we are now producing ships only as fast as they are being sunk. The British claim that 4½ times as many hours go into a ship built in America as used in the British yards. Admiral Land admits that "there is too damn much loafing" in American ship yards, but he is helpless to do anything about it because of the fancy social security frills Washington has imposed on the nation. If Washington could realize this nation was at war, America would be unanimous in this realization.

Randall county citizens are getting ready for a supreme scrap drive this month. Americans must not fail to turn in all of the scrap available in the nation if we expect to win the war. Steel furnaces are not running full time because of the lack of scrap iron to feed into the furnaces with the new ore. Let every citizen do his duty NOW. Thousands of fine American boys have been killed or are prisoners of the Japs simply because of "too little, too late." The only way to avoid this same mistake in the future is for each and every citizen to turn in all of his scrap metal and rubber right now in order to keep production at top speed.

The News is published on October 1, the deadline which President Roosevelt has set for Congress to act upon the inflation bill. He has stated he will take matters into his own hands if Congress fails to pass a bill agreeable to him. Congress will probably have acted before this appears in print. Nevertheless, we do not blame the farm

The week of October 4 has been designated as Fire Prevention Week. A large part of the costly fires in America could have been prevented if the property owners used a little care in removing fire hazards.

Many people still wonder why there are so many thousands of young men playing football this fall while the armed services are draining the nation of manpower. The answer is easy: Most of these boys are in some reserve branch of the services, subject to call at any time. They are getting valuable training both in the school room and on the football field, which will be of value to Uncle Sam when they are called. While this may not apply to professional football teams, it is sure and certain that all college players are getting ready to serve Uncle Sam in some capacity.

Two Randall county farmers have expressed appreciation to the local Selective Service Board for the fair treatment which their sons have received. All of this came within two days, and is something that local officials greatly appreciate. Sending men to the army is a serious business, and while most young men realize that they must go, it is a source of satisfaction to have their fathers express appreciation that their sons have been handed in a fair and impartial manner.

There are more than 400 Randall county boys in the various branches of the military service. Every citizen should send Christmas cards to as many of these boys as possible this year. Naturally no one individual could assume the responsibility of sending a card to each man, but all of us can pick out a dozen or so men and see that they are remembered at Christmas even though we send no thing more than a Christmas card.

You are going to have to drive slowly in order to save tires and gasoline. Your car will do well to last for the duration of the war, and most cars will hold out at least for the life of their casings.

Do your Christmas shopping now for the boys who are overseas. The postoffice department says that you must mail packages on or before November 1st, and therefore, you should do your Christmas looking very soon in order to be ready.

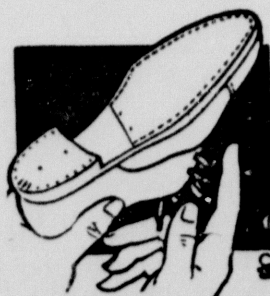

I got more help in my work from a good play than from any other kind of thoughtful rest.—John Ruskin.

Texas harvested its largest peanut crop in history in 1940, a total of 166,675,000 pounds.

WT High School Enrollment Gains

New Chorus Plan Made for Separate Organizations

War-time has failed to hinder the enrollment in the West Texas Demonstration School. In fact it's quite to the contrary as teachers and administrators are having to turn away students who wish to enroll almost every day.

The total enrollment to date for this year is 340 students, 204 in the elementary grades and 136 in the high school. This represents an increase of more than 18 per cent over the 287 enrolled last year.

Classes are limited in number, especially in the elementary grades, to provide as near an ideal teaching situation as possible. The limit is 30 students for each class.

The Demonstration School, which changed to the 12-year plan last year, has instituted a new plan this year whereby separate chorus work for boys and girls will be offered. This new arrangement was made because no instrumental work will be offered in the high school due to the teacher shortage. Also for the first time this year will be offered girls' physical education. This course, taught by Miss Adele Barnes, will make it possible for college students to do practice teaching and observation on the campus rather than having to go to Canyon High School.

Miss Barnes is the new science, mathematics and women's physical education teacher in the Demonstration School.

Another relatively new member of the faculty is Cecil Briggs who finished the work taught by Carl York this summer. Mr. Briggs teaches mathematics and farm engineering in cooperation with the Public Schools.

Prof. F. E. Savage is superintendent of the Demonstration School, assisted by Milton Morris, who has administrative duties in the high school.

Fairview Breezes

We had a cold norther Friday night, but no frost.

Mr. and Mrs. G. E. Wesley and Mr. and Mrs. Hollis Shipman and children, were dinner guests in the Johnny Boydston home Sunday, who live near Runningwater.

We were glad to welcome Mrs. Harney Rogers and Lola Belle Wesley back to Sunday School Sunday. Vesta Amerson and Evelyn Schaeffer helped Lavinia Amerson celebrate her birthday in the paternal Amerson home Sunday.

Mr. and Mrs. J. W. Wesley went to Lubbock Saturday afternoon to visit their daughter, Mrs. D. L. Whitson. She will join her husband in San Antonio soon. He is in training there.

The called club meeting was attended by eight members and three visitors last Wednesday afternoon in the J. W. Wesley home.

Friday, October 2, the Demonstration Club will meet with Mrs. E. W. Schaeffer at 3 o'clock. Miss Wilroy will be with us.

It's National Newspaper Week

The above pictures the old time print shop as it looked in the early days. It was the forerunner of the modern newspaper plants which produce the excellent publication of which you are so proud today.

Many Students March In Sunday School Parade

More than 300 students showed their desire to make a 100 per cent attendance record at church Sunday as they participated in the Sunday School parade beginning at the home of President J. A. Hill. The parade went by Cousins Hall, Buffalo Courts, Terrill Hall, Stafford Hall, Cactus Lodge, Mesquite Lodge and Randall Hall, picking up students at each residence and went down Fourth Avenue to the various churches.

CPT Work Talked By College Men

Dr. J. A. Hill, Dean R. P. Jarrett, and Dr. S. H. Condon went to Fort Worth during the week-end to confer with Civilian Pilot Training officials.

Dr. Condon has taken over coordination of college CPT work and Dr. Jarrett has become general wartime activities coordinator.

An extra-curricular CPT program will start soon, supplementing the Army-Navy trainee program already under way.

Most vacationists go away for a little change and come back with a lot less.

Livestock raising was the white man's first industry in Texas.

Umbarger Items

Mr. and Mrs. Oscar Gerken and family of Happy visited in the home of Mr. and Mrs. W. P. Jansen.

Mr. and Mrs. George Brockman visited with relatives in Nazareth Sunday.

Mr. and Mrs. Paul Artho and family, Mr. and Mrs. John Irlbeck of Happy and Mr. and Mrs. John Wieck were dinner guests of Mr. and Mrs. Ted Irlbeck Sunday.

Mr. and Mrs. Ben Koch visited in the home of Mr. and Mrs. Ben Bucker Sunday afternoon.

Mr. and Mrs. E. Hollenstein visited in the home of Mr. and Mrs. Raymond Batenhorst Sunday afternoon.

Mr. and Mrs. E. Hollenstein visited in the home of Mr. and Mrs. Raymond Batenhorst Sunday afternoon.

Mr. and Mrs. Clarence Beckman and daughter, Elizabeth Ann, visited in the home of Mr. and Mrs. Chas. Beckman, Sunday.

Those exchanging visits Sunday were Dan and Norbert Vorwald with James and Robert Skarke, Albert and Bernard Hartman with Albert Fischbacher, Georgia Ann Bedenk with Alice Westhoff.

Meyer To Speak in Dalhart Thursday

Dr. A. M. Meyer W. T. educator and frequent speaker, will address the Tri-County unit of the Texas State Teachers Association on "Guidance" in Dalhart Thursday afternoon at 4:30 o'clock in the high school auditorium.

The unit is comprised of teachers in Hartley, Sherman and Dalhart counties.

Dr. Meyer is professor of Education at West Texas State College. His appearance in Dalhart is being sponsored by the Hogg Foundation of Austin.

Enrollment Down Somewhat; Total Approaching 700

Enrollment for the current term is standing at about 700, with a few students arriving daily.

Indications are that the total enrollment will be about 20 per cent under that of last year. This percentage is reported by many other institutions this year.

Pierce News

Mr. and Mrs. O. J. Grabbe and Mr. and Mrs. W. S. McCraw were in Amarillo on business Saturday.

School opened at Pierce this week with Miss Bernice Harlan of Plainview teaching. Miss Harlan met with the people of the community for a school clean-up day and picnic Thursday of last week.

Mrs. K. L. Pond was on the sick list Thursday of last week.

Mr. and Mrs. D. Bales are living in Tulsa where both have employment.

Mrs. J. J. Boling has accepted the teaching of fourth grade work in the Tulsa schools.

The J. J. Boling family have moved to their home in Canyon, hence Mrs. Boling will discontinue representing the Pierce community in the Canyon News. This work has been a great pleasure. Miss Grace Boyd will be the new correspondent. We hope she shall enjoy the work and have the cooperation of the community.

He whistles as he goes, light hearted wretch,

Cold and yet cheerful; messenger of grief

Perhaps to thousands, and of joy to some.—William Cowper.

A bowlegged man can always be thankful he wasn't born a girl.

THE TOWN THAT LET HIM DOWN

HE: Well, here's the city limits. Tomorrow I can see my customers around town. Are you tired?

SHE: Not very. Does the car need anything?

HE: Yes, it does, but the map shows no Conoco station here.

SHE: You and your Conoco Nth oil... but I don't blame you... the way this car performs.

HE: Here's the hotel, and a garage right across. Let's leave the car there, eh?

ATTENDANT: Good evening! In for the night?

HE: Yes. Fill the tank, grease her, check the oil, but don't drain.

ATTENDANT: What brand do you use?

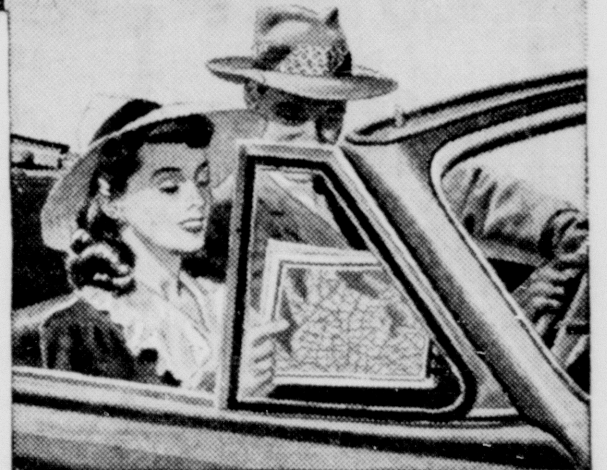

HE: Conoco Nth.

ATTENDANT: Sorry, haven't got it... but this is the last straw, mister. You're the fifth driver this week demanding Conoco Nth. Seems like everybody knows about that Death Valley Test, when six engines were run to destruction. Conoco Nth out-mileaged the average of five other brands more than two to one. I'm going to get some in stock.

HE: Sure, your regular customers, too, will want Conoco Nth to OIL-PLATE their engine.

Conoco Nth helps keep your oil and your engine clean. It can save you repairs and many a quart. See Your Conoco Mileage Merchant today. Continental Oil Company

Social Events of the Week Clubs and Organizations

Mrs. J. A. Hill Entertains Sue Hite Study Club With Afternoon Tea

Mrs. J. A. Hill entertained with an afternoon tea for the Sue Hite Club at three o'clock in her home at 2711 4th Avenue, Monday.

Heavenly blue morning glories were predominant in the dining room where Miss Fannie Malone, honorary member, poured tea at the silver appointed table.

Dahlias were used in the other entertaining rooms. The club viewed an oil painting of the canyons which Mrs. Hill had painted. The picture will be presented to Terrill Hall in the near future.

A short business meeting was held after the tea. A round table discussion of current events was held with Mrs. Herschel Jennings directing as the president.

Those signing the guest book were Mrs. J. S. Humphreys, honorary member, Mrs. Roy G. Boger of Amarillo, Mrs. W. A. Miller, Mrs. W. F. Haggard, Mrs. R. C. Hilliard,

Mrs. W. W. Nicklaus, Mrs. Alwyn Williams and Mrs. Clem Alexander, guests.

Mrs. J. H. Black, Mrs. Cecil Briggs, Mrs. Levi Cole, Mrs. D. M. Foster, Mrs. Virgil Henson, Mrs. Olin Hinkle, Mrs. R. P. Jarrett, Jr., Mrs. Jennings, Mrs. Mitchell Jones and Miss Malone.

AS YOU LIKE IT CLUB MET WITH MRS. ANNE WOFFORD

Mrs. Anne Wofford was hostess to the As You Like It Club at the home of Mrs. A. W. Sternberg. Flowers of roses and dahlias accented the rooms. A salad plate was served to the guests.

New members of the club are Mrs. A. K. Knott, Mrs. Harris M. Cook and Miss Irene Angel.

Mrs. J. B. Foster spent Sunday with Mr. and Mrs. Toni Rossi in Abilene.

PRESBYTERIAN GUILD WITH MRS. CUNDIFF AND DORSETT

The members of the Presbyterian Guild began another year Tuesday with a lovely covered dish luncheon with Mrs. E. J. Cundiff and Mrs. Alfred M. Dorsett hostesses. After the luncheon the program was opened with a devotional by Mrs. Lee Foster. Mrs. W. E. Miller, new president of the organization, conducted other business. The Guild presented Mrs. Dorsett with a lovely piece of glassware for her new home, completed since the Guild had adjourned for the summer vacation.

Those present were Mrs. Joe H. Black, Mrs. H. A. Brown, Mrs. Olin Hinkle, Mrs. R. A. Neblett, Mrs. Al Williams, Mrs. R. P. Jarrett, Jr., Mrs. J. D. Barker, Mrs. W. L. Smith, Mrs. I. F. SoRelle, Mrs. Lee Foster, Mrs. Cecil Briggs, Mrs. C. L. Thompson, Mrs. A. B. Haynes, Jr., Mrs. James Cole, Mrs. Miller, Mrs. Cundiff, and Mrs. Dorsett.

MRS. KNIGHTON HOSTESS TO FRIDAY AFTERNOON CLUB

Mrs. T. H. Knighton was hostess to the Friday Afternoon Bridge Club Friday at her home 2101 Sixth Ave. Dwarf dahlias decorated the tables.

A short business meeting was held at which Mrs. W. C. Black was elected president for the coming year.

Apple pie with cheese squares and coffee was served to Mrs. C. R. Burrow, Mrs. S. L. Ingham, Mrs. J. S. Humphreys and Mrs. R. A. Terrill, guests; Mrs. C. L. Thompson, Mrs. Guy Harp, Mrs. Black, Mrs. Clyde W. Warwick, Mrs. R. A. Neblett, Mrs. W. L. Smith, Mrs. Lee Foster and Mrs. C. H. Jarrett, members.

HIGHLAND H. D. CLUB MET WITH MRS. BILLIE MILLER

Mrs. Billie Miller was hostess to the members and guests of the Highland Home Demonstration club at her home in Wildorado Tuesday. Achievement accomplishments and further expected achievements were discussed.

The club decided not to make an exhibit at Canyon on Oct. 3 due to some unavoidable changes in the plans.

Guests were Mrs. Rhae Miller of Kerrville; Mrs. Floyd Mitchell, Miss Geneva Rice, and Miss Hix.

Members present were Mrs. Truman Miller, Mrs. Geo. Mason, Mrs. Elmer Mason, Mrs. L. J. Fulton and the hostess.

The next meeting will be on October 6.

MR. AND MRS. OWEN WILLIAMS ENTERTAIN THURSDAY CLUB

Mr. and Mrs. Owen Williams entertained the Thursday night Dinner Club at their home last Thursday evening. Fall flowers were attractively arranged for the centerpiece at the family style dinner.

Those seated were Mrs. Houston Bright, Mr. and Mrs. J. D. Barker, Miss Helen White Moore and Miss Pauline Brigham, guests; Mr. and Mrs. M. E. Cantrell, Mr. and Mrs. Bob Jarrett, Mr. and Mrs. J. O. Parker and Mrs. Hosea Foster.

GARDEN CLUB TO MEET WEDNESDAY IN CLUB ROOM

Mrs. C. R. Burrow, clean-up chairman, and Mrs. Harris M. Cook, conservation chairman, will have charge of the program for the Garden Club which meets Wednesday, Oct. 7, in the Thompson Club room. Members and visitors are asked to bring bouquets for display. At the close of the program, the club will visit the dahlia gardens on the college campus.

T. E. Allen, Max Allen, Donnell Foster, Howard Boling and E. F. Hick returned home from a two week's trip through Los Angeles, Seattle, Salt Lake City and Denver. Neil Cooper went with them to Selma, Calif., where he stayed with his sister, Miss Hazel Cooper.

Mr. and Mrs. Howard Mahle and family of Lubbock spent the week-end with Mrs. S. M. Mahle and Mr. and Mrs. Carl Hair. Mrs. Mahle returned with them for a short visit.

Miss Mary Ella Flesher was here Friday with her parents, Mr. and Mrs. W. J. Flesher. She is a clerk in the War Department in Washington, D. C., and was spending a 10-day leave from her work.

Mrs. Edwin W. Pettitt left Friday for San Antonio to join her husband, Lieut. Pettitt, who received his commission at Miami Beach, Fla., and was assigned to Randolph Field as an instructor.

Mr. and Mrs. John S. Humphreys left Tuesday for Nashville, Tenn., to visit their daughter and family, Judge and Mrs. Thos S. Shiever.

Mr. and Mrs. Cecil Simms and Alice of Buckeye, N. M. are moving to Canyon this week. Mrs. Simms is a sister of Mrs. E. W. Woods.

Mr. and Mrs. C. O. Edwards and Ronnie of Ralls are visiting Mrs. Edwards and Mrs. Berli Mayfield.

Mr. and Mrs. A. W. Sternberg have received word that Billy is in the intelligence school at Camp Stewart, Ga.

Help Keep Canyon Clean!

Educational Film Shown Tuesday at Rotary Luncheon

Dr. A. M. Meyer was in charge of the program Tuesday at the Rotary Club luncheon. An educational film was shown, presented by the Department of Agriculture, showing the part being played by farmers in the war.

Dr. Meyer stated that he had lived in several sections of the United States and had a deep appreciation of the fine land of the nation and the part farmers were doing to furnish food for the nation.

"I am worried about the status of education today," stated the speaker. Many of the best people in the field of education are being drawn into other fields. In some places there is a movement on to curtail education. This is one of the most serious crises in the 150 years history of the nation. Some Congressmen do not seem to see the picture.

In the registration for military service, 35,000 young men could not write their names; in some sections as high a percentage as one-fourth whites and one-half negroes could not write.

Dr. Meyer maintains that education is an arm of the government. The coming generation must be trained to meet the responsibilities that will follow this war. Education concerns every citizen. Educators must teach better than they have ever taught before. But this can only be done when people are sufficiently aroused to pay the necessary taxes to meet the education bill.

Jack Andrews played a group of patriotic songs on his accordion.

Johnny Thomas and Joed Forbus, co-captains of the Buffalo football team, were guests.

Miss Ava Joe Moreman was introduced as the new pianist to succeed Miss Virginia Vaughan.

President Marion Bishir stated that the District Governor highly praised the work of the local club, but regretted the poor attendance record of the members.

Palo Duro News

Mr. and Mrs. L. A. Harding of Bowie are visiting in the Pearl Harding home.

Herbert Kuhlman and Fred Brag left Monday for Ft. Sill, Okla., where they will be inducted into the Army Air Corps.

Miss Hardine Rogge of Amarillo spent the week-end with her mother, Mrs. Ida Rogge.

Guests in the Herman Kuhlman home Sunday were Mrs. Ida Rogge and family, Mrs. Freida Gerdson, Mrs. Herbert Gerdson, Henry Gerdson, Mr. and Mrs. Fritz Gerdson and Mr. and Mrs. Fred Schuette and family.

Carl Gray of Sunray is seriously ill in the home of his sister, Mrs. Ralph Ruthardt.

Mr. and Mrs. A. W. Harding and family of Bowie have moved into this community.

Mr. and Mrs. G. H. Leseberg and daughter visited in the E. J. Bauer home at Happy Sunday.

Mrs. George Albers visited in the Mrs. Alvina Leseberg home Tuesday afternoon.

J. Douglas Bruce of Amarillo spent several days this week with his grandparents, Mr. and Mrs. Henry F. Miller.

Mr. and Mrs. C. R. Burselon of O'Donald spent the week-end with Mr. and Mrs. Max Harris in the S. A. Allen home.

Mr. and Mrs. W. O. Johnson spent Sunday in Lubbock visiting Miss Audie Johnson.

Miss Martha Strain of Amarillo spent Sunday with her father, H. S. Strain.

Mrs. Louise Haliburton of Vega spent Saturday with her parents, Mr. and Mrs. J. S. Cleland.

Gov. Pat Neff Pays Tribute to the Lowly Hen

By Former Governor Pat M. Neff

The hen, hatched and raised in the lowly environment of the barnyard, has scratched her way to fame and fortune. Though she lives and labors in humble surroundings, her cackle—like the voice of freedom—is heard around the world. Hers is a universal language. It is understood wherever the tongues of men fashion the symbols of speech. Her beauty is unenhanced in the realms of art but she is known wherever the dinner bell is heard or the banquet board is spread.

Hers is not the elfin grace of the swan. Hers is not the sweet song of the canary. Hers is not the colorful glory of the peacock. Hers is not the arrogant pride of the eagle. And yet all these feathered favorites combined do not rank as high in the affairs and the affections of men as does the placid, the diligent and the unpretentious hen.

"Pay as you go" is the hen's policy. She is self-sustaining. Not long ago, a carload of hens was shipped from Texas to New York and they laid enough eggs on the trip to pay for the freight.

This is an age of substitution. We substitute cotton for silk, oleomargarine for butter, and jazz for music; but there is no satisfactory substitute for the vitamin contents and mineral compounds of an egg. The hen has less than a teaspoonful of brains and she boasts of no college degree; yet she is the most expert alchemist of the ages. She mixes in her simple laboratory the elements of calcium, magnesium, iron, sodium, potassium, chlorine, sulphur and phosphorized fats—mixes them into rich and well-balanced nutrients in a sanitary and protective shell. She defies the world to make a substitute.

The home is the hub of humanity. On its stability, civilization depends. The hen is a homemaker. She supplies the table, fills the wardrobe and lifts the mortgage. The farm wife of the henless home has no bank account. The hen is the only servant that can just "lay" around the house and still make money.

The hen, feathered aristocrat of the barnyard, the only billion-dollar bird beneath American skies,

Rubber Boots, Shoes Frozen by OPA Order

Because of the serious rubber shortage, certificate rationing of men's rubber boots and rubber work shoes has been ordered by the Office of Price Administration to insure necessary supplies of this footwear for men working on jobs essential to the war effort or the public health and safety. W. J. Wooten, Chairman of the Randall County War Price and Rationing Board announced.

Effective at midnight Tuesday, OPA ordered all sales and shipments of six types of men's rubber boots and rubber work shoes frozen to prevent a buyers' "run" on the stocks now on hand and also to give dealers time to take inventory.

All retailers, wholesalers, and manufacturers of the rationed footwear are required to obtain OPA inventory forms from their local War Price and Rationing Board before the end of this week.

The "freeze" period will end on Monday, October 5, when rationing to customers begins. The Randall County War Price and Rationing Board will be open to workers and company purchasing agents who need certificates entitling them to buy the rationed footwear.

To get a certificate the applicant must fill out two copies of a form that will be available at the local War Price and Rationing Board. These can be obtained by coming to the board in person, writing for them, or sending a representative.

daughters are everywhere; her sons never set. Hats off to the hen!

Mrs. W. Holmes Smith left Friday for San Antonio where she will visit her husband Lt. Smith.

Mrs. J. A. Brewer of Childress is here visiting at the home of her daughter, Mrs. Lee Foster.

Mrs. O. L. Means of Paris is visiting Mrs. J. C. Jennings this week. She is a cousin of Mrs. Jennings.

Come to me in my dreams, and then By day I shall be well again, For then the night will more than pay

The hopeless longing of the day. —Matthew Arnold.

Bufs Lost in Game With Tech

Inspired Battle Pleases Coaches; West Texans to Gain Power Rapidly

"Too much and too many" was the explanation behind West Texas State's 39-0 defeat by Tech as Tech's Red Raiders at Lubbock Saturday night—a loss in which the score fails to define, however, all the elements of drama and hard fighting which fans enjoyed.

The half-time score was 7-0.

West Texas State's slender band, which included a number of freshmen, fought just as it said it would in battling the bigger, more experienced Raiders in that first half. But as in that other kind of war to which most of these Bufs will soon go, stout hearts are not enough. Tech threw fresh men at the tiring West Texans in waves. When the Bufs were winded and slowed, speedy and powerful Tech reserves changed the tide to a near rout as partly blocked punts, a recovered fumble, and the old hide-out trick produced quick scores. Without these breaks, which are partly explained by the presence of green Buf substitutes, the final score would have more nearly reflected the real and potential strength of the two clubs.

Starters Do Well

Joel Forbus and Duncan Kirkpatrick, a couple of guards trying to become backs in short order, played with desperate power and took everything thrown at them without flinching. Forbus made several good gains by sheer power. J. P. McMahan and Curtis Kelley the other starting backs, took heavy poundings and asked for more. In the line, big Leslie Curb and Captain Johnny Thomas cut down the Tech offensive repeatedly.

But every man who played in that first half for W. T. was a star. If he had not been, the score would have been inflationary. Buff re-

serves, while not equal to the Tech veterans, showed a spirit which promises results in coming weeks. LeRoy Reeves looks like a freshman with good possibilities for this season. Ed White, reserve center, proved that Steinkoenig can have some relief whenever he needs it. The Hedges twins, big Charles Vick, J. W. "Andy" Anderson, Beryl Dean Clinton—the list is too long to print but these and the other reserves are coming along well.

Fought All the Way

Coaches Miller and Nicklaus had only praise for their make-shift lineup and the rest. They might have held the score down by making fewer substitutions, but they knew the value, to their green hands, of coming to grips with the Raiders.

Without more than a suggestion of an offense, the Bufs proved they were scrappers despite an adverse score. They came through without serious injuries, although considerably mauled, and it will be a much stronger club which will face Arizona State of Tempe here Saturday night.

The Game in Brief:

First Quarter

Tech kicked off and the Bufs quickly learned that the Raiders' defense was too much for their embryo offense. Forbus got off a good punt and Tech, trying to get under way, suffered an offside penalty and decided to punt and wait for the breaks. Both teams were scrapping hard in this first period, with punt exchanges frequent. Tech's first break came when Forbus' punt was partially blocked. Callahan ran the ball to West Texas State's 16-yard line. Callahan and Blanda carried the ball to the 3-yard stripe, from which Blanda crashed over. He converted for the extra point and the Bufs were behind, 7 to 0, as the first quarter ended.

Second Quarter

Forbus made a great return of the kickoff, but one first down by McMahan was all the Bufs could muster. Forbus punted to Tech's 35-yard line. The Raiders then built up steam for a march to the Bufs' 6-yard mark, with McKnight and Schlinkman doing the heavy work. But there the West Texans held in impressive fashion. Forbus punted out to his 41-yard line. Tech took to the air without success, with Standifer tossing. Big Leslie Curb rushed Standifer repeatedly and the game settled down to a punting duel as the first half ended. Score: Tech 7, Bufs 0.

Third Quarter

Curb kicked off over the end zone. From their 20-yard line, the Raiders marched to a touchdown without losing the ball. Blanda and Austin carried most of the way, but Callahan went over left tackle for the last eight yards. His place-

kick for the extra point was blocked. Score: Tech 13, Bufs 0.

After receiving the kickoff, the Bufs tried a few passes without success. Castleberry, who had been passing the ball, attempted to punt but his line leaked and the try was blocked. Tech recovered on the Bufs' 10-yard line. Blanda pushed to the 5-yard mark in two tries, then Austin scored on a left side reverse from Callahan. Blanda fumbled and failed to make the extra point. Score: Tech 19, Bufs 0.

Tech managed another break when Forbus quick-kicked over Austin's head but the safety man raced back, scooped up the ball, sifted through the Buffalo players, and was brought down from behind by Rampley on the locals' 35-yard line. Callahan then hid out along the sideline and, unmolested, took Blanda's long pass for a touchdown. Blanda converted to give Tech a 26-0 score.

Forbus passed several times incomplete, then his punt was partly blocked. Tech started back from the 37-yard line, Standifer and Schlinkman crashing to the 22 as the third quarter ended with the score 26-0.

Fourth Quarter

McKnight rushed to the 15-yard mark but a penalty and the stout Buffalo defense lost Tech possession of the ball. Reeves went in to start his first play for West Texas State. He flipped a pass to McMahan, who juggled it a moment before losing it. Reeves ran the right side for five yards then punted out 33 yards.

In a succession of terrific stabs at the line, Standifer and Schlinkman pushed the Bufs back to their one-yard line, from which Schlinkman knifed over. Coats place-kicked the extra point. Score: Tech 33, Bufs 0.

Coats kicked off and Curb returned the ball to the Bufs' 21-yard line. Forbus passed incomplete then, as the ball bounced off his arm, fumbled and Head recovered for Tech on the 15-yard line. Standifer and Schlinkman pounded to the one-yard line, then Standifer pierced center for the final touchdown. Coats failed to convert. Score: Tech 39, Bufs 0.

Seconds later the game ended.

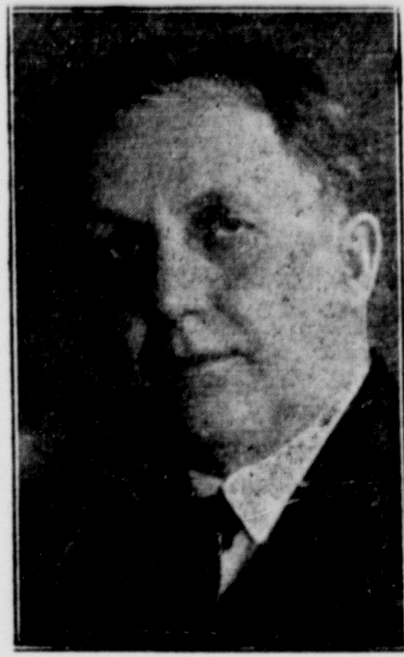

H. D. Meeting

(Continued from page one)
nedy, state president of the Texas Home Demonstration Association. Mrs. Kennedy's home is Muleshoe. An address will be given by her after the luncheon.

Miss Doris Leggett, District Home Demonstration Agent of Texas A. & M. Extension Service, will also be present.

Each club woman and her family is invited to attend the program. Council will meet at 3 o'clock.

Meetings Start at Baptist Church

Dr. H. A. Zimmerman of Phoenix, Ariz., former missionary to Brazil, will preach in an 8-day meeting at the Baptist Church of Canyon beginning Sunday, October 4, according to announcement of the pastor, Dr. Roy L. Johnson. The public is invited to hear his message. He should be of double interest at this time due to the present relations between this country and Brazil.

Services will be conducted twice every day, at 11 each morning and at 8:15 each night. Music will be directed by Claude W. White, choir director of the local church.

G. C. Bram Dies

(Continued from page one)
Thompson Funeral Home conducted by Rev. C. C. Armstrong.

Pall bearers were E. A. Oberst, E. A. Oberst, Jr., E. C. Prichard, Hubert Crawford, C. H. Lowe, Chas. Conatser.

A note left at the home of Judge A. H. Hunt lead to the discovery of the body. Judge Hunt would like to find who it was that left the note addressed to him by Mr. Bram. The note asked that a list of groceries be brought to him as he was unable to get to town. The note was dated Sept. 25.

Judge Hunt bought the groceries Saturday night and drove out toward the farm, but found the road had been newly graded and decided it unwise to drive in the darkness over the road. Sunday morning he went out to the farm and found the door locked. From a step ladder he could see the man in his bed and determined that Mr. Bram was dead. He went after E. A. Oberst, Jr., and Mr. Oberst came to Canyon after Deputy Sheriff Burch Campbell, Justice B. F. Machen and Dr. R. A. Neblett. The door of the house was broken in, and the body of the man found in his bed where he had evidently shot himself Friday night.

It is believed that the note was written with a view of bringing Judge Hunt out to look after the body as there were plenty of groceries in the house.

Mr. Bram was a pioneer farmer in the county. He had lived on the land he filed upon when coming to Randall county until a few years ago. He never married, living in bachelor quarters and doing much reading throughout his life.

At the direction of his sister, all of the personal effects were sold to neighbors who gathered at the home.

Miss Elaine Blewett of Doylestown, Penn., and Miss Theresa Blewett of Washington, D. C., arrived Wednesday to visit their mother, Mrs. Irene Blewett. Theresa will remain here in school, but Elaine plans to go to Washington, D. C. in three weeks.

Lee VanZant, former citizen of Canyon, spent Monday night here at the home of his sister, Mrs. W. A. Jennings. He was on his way to South Texas and then to California to spend the winter.

Alfred Lewis, Mrs. Myria Upfold and Billy Wayne and Betty Faye Upfold spent last week-end with Mrs. W. H. Lewis.

Miss Lillian Cupell returned Saturday from a three weeks vacation in Arkansas, Louisiana, and southern Texas.

Junk Campaign

(Continued from page one)

have not been producing to full capacity because of the need of junk metal to mix the new ore.

From Washington comes warning that all scrap metal must be turned in by citizens. If there are any citizens who will not sell their junk, they will be reported to the government and something will be done about it. Junk should be gathered from the farms before cold weather and snow falls so that it can be handled by the junk yards as needed.

City trucks and county trucks have been made available to haul in scrap where the owners do not have means of transportation and are willing to donate the scrap to the Red Cross or other organizations. Most farmers can handle their own old metal, and there are few people in Canyon who have too much heavy metal to handle themselves, unless they wish to donate it to one of the public institutions.

Jeff Wallace made a very encouraging report on the progress of the campaign. Farmers are bringing in metal nearly every day. So far the Boy Scouts have done a good job in Canyon.

Several citizens made inspirational talks on the need of every citizen getting behind the war effort, especially this junk drive. It was agreed that a careful inspection would be made of the county this fall to see that all old metal had been marketed. Randall county has made a very fine record so far, but it is known that there are many tons of metal which have not been turned over to the junk dealers.

"Brave men shall not die because I fail," was suggested as the slogan of every citizen in this campaign of gathering precious metals and rubbers.

RAY CROWDER TO ARMY

Mr. and Mrs. Ray Crowder of Clovis were here over the week-end visiting at the parental Wester and Crowder homes. He was inducted into the army Tuesday at Clovis, going for Volunteer Officer Training. His wife will continue her work in Clovis.

Visitors in the Wester home Sunday were: Iva Wester and family and Mr. and Mrs. Jack Wester of Carlsbad; R. E. Wester and family of Amarillo; Mr. and Mrs. F. S. Crowder and the Henry Meyer family.

Mr. and Mrs. Ed Mickle, Mrs. Lloyd Childers and son visited Denmore Mickle over the week-end in San Antonio.

FAMILY REUNION

Guests of Mr. and Mrs. G. G. Foster Sunday were Mr. and Mrs. G. D. Foster and Maidele of Colorado, Texas, Mr. and Mrs. Jack Foster of Wayside, Mr. and Mrs. Otis Parker and family of Happy, and Mr. and Mrs. Hosea Foster of Canyon.

Mr. and Mrs. G. D. Foster spent the week-end here.

Cpl. Roy Cheatham of San Angelo visited in Canyon on a three-day furlough over the week-end. He is a weather observer in the army.

MOTHER PASSES AWAY

Mrs. J. J. Hail, mother of Mrs. W. D. Boland passed away Sunday, Sept. 26 at Stamford. She had fallen and broken her hip in August. She was seventy five years old. The funeral was held Tuesday at the First Baptist Church in Throckmorton. Mrs. Boland had been with her mother for some time. She returned Thursday.

Mr. and Mrs. Wm. Schmitz spent Sunday with Mr. and Mrs. Kenneth Erwin at Stone.

E. W. Woods and Dub are fishing in Creede, Colo., this week.

A Few ??'s To Ask The Printing Peddler

When The Peddler Selling Stationery and Printing Supplies Solicits Your Business There Are a Few Questions Which He Should Be Willing to Answer to Your Satisfaction.

Among Them Being:

- ? Does he pay taxes in this community?
- ? Does he donate space in his newspaper to your local community enterprises?
- ? Does he pay wages to a force of employees located in this City, County, or State?
- ? Does his paper devote its entire space toward the betterment and upbuilding of this community?
- ? Does he grant you every favor that you would ordinarily ask of a local newspaper?
- ? Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?
- ? Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- ? Does his price include postage and insurance charges?
- ? Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

Civilian Chow or Military Mess NUTRITION is your Commanding Officer!

Bellah's holds high rank in our civilian army and rightfully so. Ours is a big job. We must have on hand the foods needed to keep you, your family and the rest of our customers properly fed. The burden of supplying most of America with foods to form a completely nutritious diet is almost wholly that of the food retailer. We will be glad to give you any advice and assistance in selecting and preparing foods for sufficient and additional nutritional value. Nutrition is of foremost importance in the army—the non-military population must realize that proper nutrition means better health, greater war production and speedier victory! Our store is endeavoring to enlist every one of their patrons in the nation-wide Nutrition Program. They are fully cognizant of their responsibility in carrying out the national program . . . and always for the fairest of prices in the finest of foods!

Eight Teachers Join School Faculties

Shortage Proves Hard Problem

Students Accept Changes As New Teachers Come

Starting the new current school year, eight teachers have been selected by the school board and Superintendent J. B. Speer to fulfill positions in both the high school and the grade school.

Miss Mildred Cole has accepted the seventh and eighth grade classes formerly taught by Harold Barnett and in addition is teaching aerobics. Miss Cole has had C. P. T. training at West Texas State College.

With a B. A. degree from Baylor and extra work in library science from W. T. S. C., Mrs. J. W. Kleinschmidt is the new librarian, replacing Miss Geraldine Pratt.

Roberts Leads Chorus

A new subject, chorus, is being offered to high school students by Miss Mary Roberts, who is teaching band and public school music.

Miss Rhita Jean Sullivan is assuming the subject taught in Home-making by Miss Rose Parsley, while Mrs. James Jennings is teaching Spanish I and II. Mrs. Jennings majored in Spanish and taught in Canyon Grade School last year.

Mrs. E. L. Braudt is now substituting for Mrs. C. E. McDonald who will teach the commercial subjects in the position vacated by Olin Huff.

Thompson Teaches Third

Miss Sarah Thompson is the new third grade teacher, replacing Mrs. L. T. Barksdale.

Miss Florence McMurray is now teaching fourth grade, and Mrs. A. K. Goodman instructs the language arts.

Other grade school teachers returning for the new year are Mrs. T. W. Collins, Mrs. Marion Bishir, Mrs. Roscoe Davis, Mrs. Stella Murrell, Mrs. R. E. Harter, Mrs. L. M. Cousins, Mrs. John Davis, Mrs. A. L. Walsh and principal, Miss Elva Fronabarger.

High school teachers who taught last year, are Mrs. Guy B. Tabor, Miss Grace Clark, Miss Helen Whiteside, Milton Sanders and Superintendent J. B. Speer.

Yards at Happy, Dalhart and Canyon, Texas

Many changes have already been brought about by World War No. II. The Eagle's Tale has not been exempt from these war-time adjustments. The increasing prices and shortages have made it necessary for all newspapers to utilize space and stress economy.

And now another change—The Eagle's Eye replaces the editorial column. As for the column, readers will have to make their own decisions; but there is certainly nothing wrong with the Eagle that Joe Ziegler was thoughtful enough to draw for the commentary.

Dedicated to Red Skelton—by his most unfortunate mother.
A dark tank of gas;
An interesting tank of gas;
A match and—Junior.
Well, what's a ya know?
Junior can disappear!

Comes in another year and each student of Canyon High School seems us as determined that he be the first one out of the building when the dinner bell rings! Strange, but most of them seem to have nothing to do 15 minutes later.

Not long ago in one of the larger city depots, there was a sailor awaiting one of the now commonly late trains, with his wife and three small children. He wasn't a great deal older than most high school graduates, but there was something about his expressive eyes and independent stance that made anyone coming in contact with him feel inferior.

He had only recently returned from overseas combat with other wounded—some only temporarily disabled, other permanently crippled. Soon he would be leaving this family and return, but as long as he was with these loved ones, he intended to make use of every minute, every second of his time.

He had no regrets for his entry into military service—he wanted to do everything in his power to prevent those three kids of his from being exposed to the influence of Hitler or any of his maniacal servants of wholesale criminals.

The train which would take him away would be coming soon; he would hear it in the distance. There would be just enough time to buy the older boy an ice cream cone.

It took him only 30 minutes on the train's club car to succumb to the intoxicating effects of liquor.

The one case—the one case in a thousand when drunkenness is forgivable.

And we complain because we have to walk to school!

Truth is best understood by those who have experienced its value.

FHT Girls Make Plans for Year

Students Arrange Material Collected During Summer

With a finished scrapbook and final plans for a yearbook being completed, the Future Homemakers of Canyon are looking forward to a profitable year as they uphold the theme, "Future Homemakers on the Home Front."

Evelyn Black and Ellen Sanders arranged the scrapbook materials according to the year it represented. For this term, they collected newspaper clippings, photographs and articles of interest for the book.

By splattering ink through small pieces of screen, Vergie Ruth Haines, Ruth Price and Claudine Foster obtained the liberty bell yearbook covers for this year. Such program titles as "Are We Doing Our Part for Uncle Sam?" and "Do You Take Blitzkrieg Action on Your Opportunities?" were selected to be lead by Ellen Sanders, Ellen Root and Shirley Harrell.

The first meeting of the year will be held this week when definite plans will be discussed.

Morris Instructs Farmer Classes

Due to the shortage of agriculture teachers, the Canyon High Future Farmers of America are cooperating with the West Texas State High School chapter and its sponsor, Milton Morris.

Farm shop boys meet under Buffalo Stadium with their instructor, Cecil Briggs. This shop is equipped with Canyon High School tools and with utilities furnished by West Texas State High School.

First and second year agriculture boys take classes in West Texas High under the direction of Mr. Morris.

New Aviation Books Increases Pre-flight Library Collection

"To aid the pre-flight students in Canyon High School, six new reference books on aviation have arrived for library use," reported Mrs. J. W. Kleinschmidt, librarian.

They are "Famous American Flyers," by Chelsea Fraser; "Flight," by Captain Bailey Wright; Baughman's "Aviation Dictionary and Reference Guide"; "A. B. C. of Aviation," by Victor W. Page; G. B. Manly's "Aviation, from Ground Up"; and "The American Student Flyer," by Merrill C. Hamburg.

Nine Bus Drivers Transport Students to Public Schools

To transport 238 grade and high school boys and girls to the Canyon Public Schools is the duty of nine bus drivers this year.

Driving these busses are A. B. Baker, Stone; Harold Byars, Lakeside; Bill Ewing, Jowell; Lewis Hales, Zita; Sam Hill, Canyon Independent; Walton Jones, Trigg; W. J. Phelps, Canyon Independent; Elmer Sheppard, Garrison; and Ralph Ruthardt, Palo Duro.

Social Science Teachers Join Armed Forces of America

Displaying a two-star banner, Canyon Grade School is proud of the fact that Roach Allen and H. W. Truitt, both of whom were social science teachers in the intermediate grades are now in the Armed Forces of America. Stationed at Edgewood Arsenal, Maryland, in the Regiment of Cadets, Mr. Allen has begun a three-month training course for officers on Chemical Warfare.

"No word has been received from Mr. Truitt, who entered the Navy as a painter; and his address is unknown for the present," said Miss Elva Fronabarger, principal.

CANYON TAILORING CO.

Canyon High Gets Defense Children

Because of the increase of defense industries near Canyon, many additional families have moved to Randall County bringing 120 new pupils to Canyon Public Schools. Of this enormous number, 23 hail from the states of Kentucky, Arkansas, California, New Mexico, Oklahoma, Utah and Louisiana.

Betty Jean Roland, a student from Victorville, California, has the doubtful honor of coming from the most distant point represented.

In addition to these students from out of state and the 92 pupils from various sections of Texas, six pupils transferred from W. T. High and Grade Schools.

Hello, hello, everybody. How do you do? Stick around for a while so you can provide Cal with gossip to fill this column. Without you, Cal wouldn't have anything to write.

Did you know:

That Lynelle Roach, LaNora Mahler and Sue Ann Moreman have very easy telephone numbers to remember?

That Tommy Hunter can't find a girl in Canyon High School who will fill the bill like Joan Byars?

That Shirley Harrell and Andy Walsh both told Mrs. Guy Tabor that the show was "DeLuxe" Thursday night?

That Jane Campbell and Patsy Woods have transferred to W. T. High School to break those boys' hearts for a while?

That James Guthrie and Bill Davis followed Betty Ann Miller, Jo Katherine Hill, Ann Crawford and Frances Gooch around enrollment day?

That Cal wishes to inform you that Canyon High has a set of good-looking twin boys? How about it, Troy and Roy?

That the six bachelors, J. Spencer Winn, Tommy Thompson, Don Standley, J. Ray Hunter, Manis Read Foster and John Bill may have to consider Bobbie Dowd and Lindsey Taylor as probation members. They seem to be acquiring all the traits usually expected of bachelors.

That Molly Nan Ziegler is trying to take care of two of the best looking boys in Canyon High—Dana Persons and Charles SoRelle?

Lieutenant (to prospective mess sergeant): "All right, sergeant, you are supposed to be good at figures. Suppose there were this many flies on the table—one-half times eight, square the total, add ten and divide by four—and I killed one, how many would be left?"
Sergeant: "One, sir—the dead one."

Nature they say, doth dote,
And cannot make a man
Save on some worn-out plan,
Repeating us by rote.—J. R. Lowell.

Eagle's Tale Attains National Quill and Scroll Recognized

First War Graduates Leave Canyon High School Halls

Information please! Seniors of 1942 have "pulled out" like a car leaving a filling station, each taking with him the gallons of knowledge paid for by his effort.

Where have they gone? Many have turned their attentions to the pursuit of education. Of these, 17 attend West Texas State College; two study at Texas State College for Women in Denton; two are enrolled in John Tarleton, Arlington; three are in Abilene Christian College; one is in Stephens College, Missouri; three are taking business courses, which make a total of 29 who are pursuing the path of knowledge.

Canyon High salutes the ex-students as they occupy their selective posts in a war-torn world. Each is promoting an invaluable purpose. Marvin Albers, Lawrence Boehning, Earl Byrd and Jim Spencer concentrate their efforts on farm production.

Dorothy Anderson Byrd, Christine Kellum, Dorothy Prichard Olson and Loyce Gipson Foster have recently been married.

War-time jobs envelope a minority. Gene Hollabaugh, Marjo

Lyons, Wayne Sanford, Billy Brown and Burdette Brown are included on payrolls.

Wilma Jean Dickerson and Annabelle Laughery are doing double duty by going to business school and working. Sarah Slack is in business school in Lubbock.

Robert Laughery, air corps, and Peter Meyers, marines, are already in active service.

At West Texas, the following are enrolled: Lee Roy Moreland, Jess Armstrong, Gordon Lynn Dickerson, Jo Carroll Dutton, James Thomas Harp, Oscar Schuette, Clarence Thompson, Leroy Wooten, Avis Campfield, Martha Lee Foster, Mildred Gill, Earlene Greenfield, Beulah Hammond, Bobbye LaFon, Margaret Lou Tate, Fern Zimmer, and Ray Nickelson.

Frank Sharman, Dan Cabe and Al Hunter are attending Abilene Christian College.

Grace Robinson and Martha Oliver are enrolled at Texas State College for Women, Denton.

Veda Mae Parish is in Stephens College, Missouri.

Bryce Payne and Jackie Brian are attending John Tarleton, Arlington.

Excellent Score Is Recognized

Speer Announces Paper Staff for Semester

Under the auspices of the Medill School of Journalism, the judges have recognized The Eagle's Tale as an outstanding achievement and have bestowed upon it an International Honor Award. Edward Neil, executive secretary of Quill and Scroll, sent congratulations to the staff and has announced to it the outstanding honors in the 1942 Critical Service Contest.

By the Quill and Scroll Achievement Scale, The Eagle's Tale rated as a lively and intelligent example of competent high school journalism. Out of a possible score of 1,000 the paper made 910 points.

Staff Deserves Credit

"The staff deserves particular credit for its mature, restrained writing style, its strong page make up, and attractive use of photographs," affirmed the judges in their report.

James Harp served as editor the first semester of 1941-42 school year, Dan Cabe, assistant editor, and Clarence Thompson, business manager. During the second semester, Dan Cabe was editor, Grace Robinson, assistant editor, and Johnny Harter, business manager, with Mrs. Carl T. York, sponsor.

Speer Selects Staff

Superintendent J. B. Speer announced this week the new staff leaders of the press club for the first semester to be Johnny Harter, editor; Martha Jean Dowd, assistant editor; Polly Winstead, business manager; and Ermin Winningham, copyreader.

Johnny, Martha Jean, Polly and Ermin are members of both the Junior and Senior Honor Societies, pledges of Quill and Scroll, and active members of the Senior Class. Johnny is a third year student of journalism while Martha Jean, Polly and Ermin are second year members.

Attending Canyon Public Schools since the first grade, Johnny, Martha Jean and Polly's record exceeds Ermin's fifth school year here.

Ball Substitute Sponsor

Reporters for The Eagle's Tale are Anita Davis, George Black, Shirley Harrell, Louis Hinders, Bobbie Dowd, Lindsey Taylor, Molly Nan Ziegler, and Mrs. R. E. Ball is substitute sponsor.

"On behalf of the staff, I wish to extend our thanks to Mr. Speer, the teachers and most of all to Clyde Warwick, Dan Usery and N. T. Dickerson of The Canyon News office for making The Eagle's Tale possible. We will do our best to make a good newspaper," says Johnny.

Texas is the leading turkey-raising state in the nation.

Refugee Troupe World Famous

Beauty and Quaintness of Pacific Paradise to Be Brought to College

A world-famous troupe, now refugees from their Japanese conquered island of Bali, will present a dance concert at West Texas State on Monday evening, October 5. The curtain will rise at 8:30 p. m.

These little dancers and musicians are headed by Devi Dja, one of the world's foremost ballerinas. The quaintness and beauty of her native dances have been acclaimed throughout this country. Her Bali-Java dancers will bring a program of holy dances, war ceremonials, and work rhythms of the paradise islands. Not merely exotic, these dances are said to have dignity, grace, and the glamor of the Arabian Nights. An orchestra placed on the stage will play native instruments.

Dances Are Varied

Dja will introduce the festival dances of Bali, the court ceremonials of Java, grotesque numbers from Sumatra, and jungle rhythms of Ambonia. All of the characters in the dances of Java were derived from the Sanskrit Ramayana and the Mahabharata, although at present a few historical pieces have been taken from former Javanese empires.

The young dancers have been trained since childhood in their intricate art. They tell stories of love in the tropic seas, fierce wars, and comic adventures.

Tickets will be one dollar for adults and 50 cents for high school students and children. Students of W. T. will be admitted on activity tickets.

From a Thousand Isles

These dancers come from flower-covered tropical islands—the thousands of islands which make up the Dutch East Indies. Some of the islands are as large as California; others are mere coral reefs or solitary volcanic cones. Sixty millions of people inhabit them—some highly educated, others are savages. Bali, separated from Java by a narrow sea, has been called "The Last Paradise on Earth." Before the Japanese overran it the island was a place of peace, enchantment, and indescribable beauty.

For every occasion, the Balinese have a dance. The Javanese dances are intricate, involving balance and counterpoise which requires years to master. Musical instruments include drums, gongs, bells, slymbals, pitched wood blocks, wooden clappers, bamboo rattles, and many other devices. The essence of this music is rhythm, not tune. However, there is melody of a sort, tuning a five-tone scale. The pentatonic scale is suggestive of Debussy's compositions and is not difficult for the American ear.

Dja (pronounced Jah) and her company were booked in Europe but managed to escape and reach America after World War II began. They brought their equipment and strange and colorful garments which are integral parts of their dances.

Ski Troops Become Mountaineers

A new branch has been added to Uncle Sam's Army—a full-fledged Mountain Regiment. Last winter these men were the first organized ski battalion in the United States. During summer months they are undergoing rigorous training as Mountain Infantry. Here they scale vertical wooden climbing ramps, 40 feet high and nicked at intervals for hand and toe holds.

pers, bamboo rattles, and many other devices. The essence of this music is rhythm, not tune. However, there is melody of a sort, tuning a five-tone scale. The pentatonic scale is suggestive of Debussy's compositions and is not difficult for the American ear.

Dja (pronounced Jah) and her company were booked in Europe but managed to escape and reach America after World War II began. They brought their equipment and strange and colorful garments which are integral parts of their dances.

Johnson Items

A number of friends and relatives honored E. J. Bauer on his birthday Sunday with a dinner. Mr. and Mrs. E. B. Harvey are visiting in the Dudley Smith home near Channing.

Mr. and Mrs. F. H. Bauer attended to business in Amarillo Friday. Mr. and Mrs. Alva Wise were Tuesday evening callers in the I. L. Bauer home.

Elmer Bauer, Jr. spent Thursday night in Canyon.

Mr. and Mrs. C. W. Bauer were business callers in Amarillo Monday.

Wayside Items

Sunday was Rev. Lloyd Garrison's regular day.

Mrs. Ralph Childress and girls of South Plains and Mrs. E. A. Franklin spent Friday night in the W. R. Franklin home.

Gordon Foster and Billy Stockett took their 4-H Club pigs to the show at Claude Monday.

A number from this community attended the stock sale at Amarillo Monday.

W. R. Franklin visited with his mother in Happy Saturday night and Sunday.

W. I. Lane made a business trip to Happy Saturday afternoon.

Among the smaller duties of life I hardly know of one more important than that of not praising where praise is not due.—Sydney Smith.

Live Rattler Is One of Numerous Gifts to Museum

The steady growth of collections in the Panhandle-Plains Museum here is indicated in a list of contributions just released by Boone McClure, assistant curator, a list which includes a live rattlesnake.

H. M. Breedlove, county agent of Clarendon, and his 4-H Club boys sent a large collection of rattlesnake rattles. The snakes were killed by the boys. L. H. Terrell of Kirkland and a son shipped a live rattler to the museum. This was chloroformed to death and then mounted in a running position by L. E. Simms of Canyon. The snake had 20 rattles, was five feet, 2 inches long, 12 inches around at the largest part, and was 2½ inches across the head. A number of fangs were prepared for exhibition.

J. D. Attway of Hood county carried a gun in the Confederate Army and this has been given the museum by his grandson, Doyle White of Amarillo. Also given was an old clock and a razor.

Judge James D. Hamlin of Farwell sent a large plaque carved with marvellous accuracy and artistic skill by Jimmy Johnson of Gallup, N. M. It shows a covered wagon scene, complete even to a dog running beside the oxen.

A papoose hammock, Indian doll, and arrows found by H. W. Crain in a cave on Mule Creek, in western New Mexico, are on display. Also received was a side saddle.

Miss Nina Wright of Childress gave the museum a very old geography textbook, a miniature almanac, and other objects.

The museum continues to attract tourists from all parts of the country. Registration since April 14, 1933 now totals 312,000.

Not liberty first, and union afterward; but everywhere, spread all over in characters of living light, blazing on all its ample folds, as they float over the sea and over the land, and in every wind under the whole heavens, that other sentiment, dear to every American heart—Liberty and Union, now and forever, one and inseparable!—Daniel Webster.

In 1940 Texas produced 3,000 tons of grapes.

It's Your DUTY TO KEEP HEALTHY!

"Hey, Mom...it's ALIVE!"

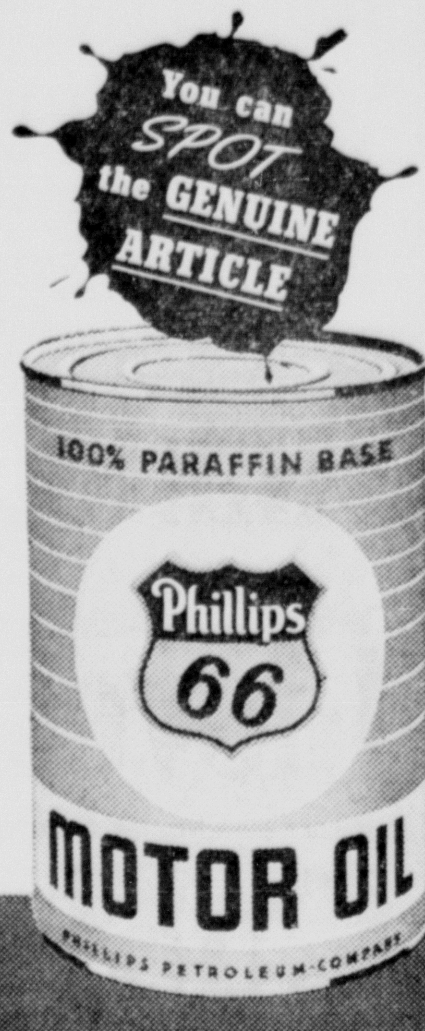

"HELP! HELP! I thought it was a pretty green stone, but when it stuck its neck out, I knew it was alive. It just shows you can't always judge by appearances."

That goes for motor oil, too. When you want quality oil . . . and who doesn't these days? . . . it is best to rely on facts and on the good name of the petroleum producer. That way you're sure of getting the genuine article.

You know that Phillips is one of the great independent organizations in the petroleum industry. You know that Phillips has a well earned reputation for giving greater value. So it means something when Phillips makes this simple, straightforward statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to car-owners like yourself.

Because quality oil means so much to car life, remember these facts when a new 1,000-mile mark clicks up on your speedometer, and when you are making the seasonal change.

Pleasantview

Mr. and Mrs. Henry Meyer and Mr. and Mrs. Albert Meyer and daughters, Helen and Annette, visited Sunday in the home of W. I. Wester.

Mr. and Mrs. John Jennings and daughters, June and Jannie, accompanied by Mrs. Milton Dooley and Ava Margaret visited in Berger Sunday with Mr. and Mrs. Frank Crowley, Jr., and Miss Viola Dooley.

Rayford Louder returned home Thursday from Lubbock where he was to be inducted into the army. He will leave for training October 6.

Burford and Vern Cummins from Dumas spent the week-end visiting

at the home of their brother, Aaron Cummins.

Mrs. Earl Burtz called on Mrs. George Louder Wednesday.

Mr. and Mrs. A. B. Haynes spent Sunday in the parental T. M. Moore home.

Visitors in the Milton Dooley home Sunday were Mr. and Mrs. J. W. Spencer, Jim and Helen, Jim Bible, Piner Stevens and Lester Smith.

Tierra Blanca

Miss Louella Pitts spent Saturday night with Laura B. Johnson in Canyon.

Willie Mae Holman visited her aunt, Mrs. Hosea Foster, of Canyon Friday night.

Mr. and Mrs. J. B. Hand were honored Friday night with a shower at the Canyon Hotel. Mrs. Hand was Miss Mavis Pettis of Clayton.

Mrs. C. W. Roberts visited last week in the C. V. Conatser home.

Funeral services were held Monday afternoon for Mr. Bram following his death Saturday night.

When a man assumes a public trust, he should consider himself as public property.—Thomas Jefferson.

Nature is perfect, wherever we look, but man always deforms it.—Schiller.

Help Keep Canyon Clean!

ACT FAST WHEN A COLD THREATENS

At the very first sniffle, sneeze, or any sign of a cold just try a few drops of Vicks Vapo-rinol up each nostril. If used in time, Vapo-rinol's quick action helps prevent many colds from developing. . . . And remember this, when a head cold makes you miserable, or transient congestion "fills up" nose and spoils sleep—3-purpose Vapo-rinol does three important things. It (1) shrinks swollen membranes, (2) relieves irritation, (3) helps clear clogged nasal passages. Enjoy the relief it brings. Follow directions in folder.

Pay Your Taxes Early and Save Discount

The Commissioners Court of Randall County has authorized the Tax Collector to give the discount on all taxes as provided by the recent legislature as follows:

3 per cent if paid during October, 1942
2 per cent if paid during November, 1942
1 per cent if paid during December, 1942

This discount is on all State and County taxes that are collected by the County Tax Collector and also applies to all school taxes collected at this office.

Bishop E. C. Seaman to Conduct Service Here Sunday

The Right Reverend E. C. Seaman, Bishop of the North Texas District of the Episcopal Church, will celebrate Holy Communion at eleven o'clock Sunday morning in the All Saints Church.

Miss Jackie Wafford of Canyon will sing a soprano solo.

This service will replace the usual five o'clock Vesper.

A special welcome is extended to all newcomers in Canyon to join in worship this eighteenth Sunday after Trinity.

Presbyterian Church Welcome Banquet

Approximately forty students and townsmen attended the Varsity Banquet to welcome Presbyterian students in West Texas State College which was held Wednesday evening at 7:30 in the Presbyterian church basement.

Everything at the banquet was made in football language. Dr. Seth Fessenden, quarterback, opened the banquet. Rev. Alfred M. Dorsett gave the thanks to the "head coach." Miss Beth McCaslin and Miss Florence Clark were the pep leaders. A vocal solo by Miss Maude Cuenod was followed by the introducing of the "First String" by Mr. Dorsett.

"How to Make the Goal" was the

subject of Dr. S. H. Condon, the after dinner speaker.

The banquet was adjourned with the singing of "Alma Mater."

PRESBYTERIAN CHURCH

The annual observance of World Wide Communion Sunday will be held in Protestant Churches throughout the world on next Sunday. The Presbyterian church will join in this celebration and will be one of the churches which will join the chain of other Christian churches. During the twenty-four hour period comprising the day of October 4th there will be a Communion service every single minute in some part of the world. The theme for the service in the Presbyterian church will be "The Leader." The choir, under the direction of Mrs. Harry Brown, will bring an anthem. The theme for the evening worship service at 8:30 o'clock will be "Love's Last Appeal." The choir, composed of college young people in the church, will sing at this service. Young people's groups for all ages of young people will meet at 7:30.

On next Wednesday evening at 7:30 the first "family Night Dinner" of the fall season will be held.

All of the members and friends of the church are invited.

Highland News

The farmers are busy sowing wheat and feed is being cut at a few places.

The women of Christian Service held their harvest day program at the Methodist Church last Wednesday afternoon.

Mr. and Mrs. Rhoades and children visited at the McVea home Sunday.

The Tucker family visited at the Jones home Sunday.

Mr. and Mrs. Jack Cage and Mr. and Mrs. Raymond Debenport visited at the Fuqua home Sunday.

Mr. Brown took time off and called on his neighbors last week.

Believe me, every man has his secret sorrows, which the world knows not; and oftentimes we call a man cold when he is only sad.—Longfellow.

Major: "Don't you know how to stand at attention?"

Rookie in oversized uniform: "I am, sir. It's my uniform that's at ease."
